WHO WE ARE?

We´ve built an one team of passionate athletes, designers and production specialists who are interested in outdoor clothes and sport accessories for mountaineering, ski, hiking, running and cycling.

Our products are continually improved. We've put together a bunch of enthusiastic and experienced athletes who form the KILPI RACING TEAM. These ambassadors test our products in the most extreme conditions and at 100 percent performance.

Brand was establish in 2013 but our experiences exceed almost 15 years in this field. Our products are salen in more than 40 coutries that we feel as international brand even famile-owned and site in Czech.

Our product idea is to create „a shield" (meaning Kilpi in Finnish) for all sport activities we practise. We want share our experiences to customers in good quality and reasonable price.
