OUR STORY

We've chosen the best people from the sport field and built one team – the team of passionate athletes as well as design and production specialists. Together we produce outdoor clothing and sports accessories especially for running, cycling, mountain hiking and winter sports. We use the experiences we have gathering since 1991. Our products are continually improved. We've put together a bunch of enthusiastic and experienced athletes who form the KILPI RACING TEAM. These ambassadors test our products in the most extreme conditions and at 100 percent performance.

Kilpi is a Czech brand with a tradition. Although family-owned, Kilpi has an international overlap. The brand was established in 2012 and it's currently registered in more than 120 countries worldwide.

We aren't afraid of challenges and unusual adventures. That's why we support meaningful sports events that help people to overcome their own limits. We are a partner of the series of MTB races (Kolo pro zivot), extreme ultramarathon series in Beskydy (Beskydska sedmicka) or International festival of outdoor films. We publish a new content on our social networks daily, build our own customer community and approach new outdoor enthusiasts. The icon of our brand has become a Nordic reindeer – a plush mascot in the shape of a reindeer wearing a blue T-shirt who attracts attention anytime.

And why have we chosen the name Kilpi? In Finnish, the word means "a shield", which perfectly represents the essence and philosophy of the brand. Let us to be your shield when the frost is fierce and the rain is heavy. In any extreme conditions, you can rely on us.

NÁŠ PŘÍBĚH

Vybrali jsme ty nejlepší lidi z oboru a vytvořili jsme jeden tým – tým vášnivých sportovců a zároveň odborníků na design i výrobu. Společně vyrábíme a vyvíjíme vlastní outdoorové oblečení a sportovní doplňky zejména pro běh, cyklistiku, horskou turistiku a zimní sporty. Naše produkty neustále zdokonalujeme. Při výrobě oblečení pro děti i dospělé se zaměřujeme zejména na funkčnost, praktičnost, kvalitní materiál, módní design a uplatňujeme zkušenosti, které sbíráme již od roku 1991. Dali jsme dohromady tým nadšených a zkušených sportovců, kteří tvoří KILPI RACING TEAM. Tito ambasadoři testují naše produkty a podrobují je zatěžkávacím zkouškám v těch nejextrémnějších podmínkách a při stoprocentním výkonu. Zároveň přicházejí s vychytávkami a vylepšeními, díky kterým jsou KILPI produkty jedinečné a originální.

Jsme česká značka s tradicí a firma rodinného typu s mezinárodním přesahem. Značku Kilpi tvoříme od roku 2012 a v současnosti je zaregistrována ve více než 120 zemích světa. V České republice máme několik monobrandových prodejen a centrála společnosti sídlí v Ostravě.

Máme rádi výzvy a neobyčejná dobrodružství. Právě proto podporujeme smysluplné sportovní akce, které pomáhají lidem překonat vlastní limity. Jsme partnerem seriálu cyklistického MTB závodu Kolo pro život, extrémního beskydského ultramaratonu s názvem Beskydská sedmička nebo Mezinárodního festivalu outdoorových filmů. Denně plníme naše sociální sítě zajímavým obsahem, čímž si budujeme vlastní komunitu zákazníků a oslovujeme stále nové příznivce aktivního života. Ikonou naší značky se stal severský sob – plyšový maskot v podobě soba v modrém tričku, který poutá pozornost za všech okolností.

A proč tedy zrovna Kilpi? Toto slovo znamená v překladu z finštiny výraz "štít", což vyjadřuje i podstatu naší značky. Spolehněte se, že naše oblečení bude vaším štítem, a to nejen za ukrutného mrazu nebo vydatného deště.
